Hello From the Executive Director

Mother's Day is an annual holiday celebrated worldwide to honor and appreciate Mothers and mother figures for their love, sacrifices and contributions to our lives.

It originated in the US and is celebrated on the 2nd Sunday in May. In various cultures children express love and gratitude through gifts, cards and acts of kindness.

Let's all remember those special women in our lives this year.

At Harbison Shores we have many Mothers and mother figures we will be celebrating this May.

Wake-Up Call

Chewing gum not only freshens your breath, but it can also help fight off fatigue. A British study found that students who chewed gum remained more alert than those who didn’t.

“May is the month of expectation, the month of wishes, the month of hope.”
